Amildar suggests that Rs 25- may be saved & credited to the funds of the temple so that the Amt so saved may be available for repairs of the institution.

Reasonable as the suggestion of the Amildar may seem to be, it is a question for consideration whether a Pedduvat Amt which is an endowment made for a special service in the temple can be saved in part for the other purposes such as repairs &c which are not contemplated in the sevas stipulated by the donor.

So may the recommendation of the Dep: Comr be saved & the scale of fees prs Subs by him approved ?.

Adverting to your yadi No 1172 dated the 7th June 1912 forwarding for report copy of letter No. 2712 dated the 13th May 1912 from the Secretary to the Government of Mysore, General and Revenue Departments Calling for Certain

endowments granted by

Veeramma to the temple of Sri Ganga-

-dhareswara Swami at Seringapatam

I have the honor to submit herewith

a statement received from the

Amildar of Seringapatam Taluk

furnishing information regarding

the amount realized by the sale

of the paddy of the endowed lands

and the amount saved therefrom

during the past 3 years.

It is reported that the savings

which have accrued from the sale

of the produce of the lands referred

to since 1908 up to end of 1911-12

amount to Rs 1052-4-4, and it

from this amount that the additional expenditure is proposed to be met. This would be strictly in accordance with the donor's express desire.

The average annual income (taking the figures of the last three years) is Rs 325/- and the expenditure according to the present fiscal scale is Rs 174-1-4.

It seems to be the intention of the donor Mr. Veeramma that the Seras for which she has made the endowment in question should be celebrated on a liberal scale.

The Dharmadarsis of the institution at their meeting held on the 7th August 1912

was

were unanimously

that with the exception of a reserve of Rs 40/- to cover fluctuations of price and unforseen expenditure the entire net income of the endowment should be utilized in Conducting the Seva according to the wishes of the donor. A Copy of their resolution is hereto attach for favour of reference. They have prepared and submitted a scale of expenditure which is also enclosed.

According to the scale proposed the expenditure per annum would be Rs 274-1-6, as against an expected income of Rs. 325/-

There does not seem to be

any reason against respecting the obvious wishes of the donor, and the recommendation of the Dharmadarsi, and I would request that Govt. may be kindly moved to accord their sanction to the incurring of the additional expenditure and to the purchase of the —— marginally noted articles of Silver for the deity.
